

Your Trusted, Flexible and  
Reliable partner in Malta

# Rolls-Royce Silver Ghost

**THE RELIABILITY AND QUIETNESS ARE THE MAIN ATTRIBUTES OF THE "SILVER GHOST". THE LOVE, DEDICATION AND DETAIL IN BUILDING THIS CAR HAS MADE IT ONE OF THE BEST AND MOST VALUABLE CARS IN THE WORLD.**

Remaining a boutique size firm is our choice, we are able to offer a bespoke service to our valued clients.

We enjoy working, we are flexible, we listen well to our customers' needs and respond effectively. We are attentive to detail, we strive for excellence but we are not always right, we learn from our mistakes and take responsibility.

Just like the Silver Ghost, we are reliable, our clients can count on us. We are there for our business partners when business is thriving, we are also there when clients need us most in difficult times, the world has changed, we have not, our principles are sound.

# Accountancy & Tax in Malta

Malta's unique tax system, warm climate, a multilingual society and a UK based legal and banking system together with Malta's membership in the European Union strengthened by the adoption of the euro currency has made Malta one of the most important jurisdictions for any company to consider as an ideal location for their business.

We offer our corporate and private clients a highly professional and personalised service irrespective of the size of business. Our attitude towards our business partners is one that focuses on detail, maintains at all times reliability and wins trust, we are your partner in Malta.

**THE EYES OF CHAMELEONS** ARE MOST DISTINCTIVE AMONG THE REPTILES. THE UPPER AND LOWER EYELIDS ARE JOINED, WITH ONLY A PINHOLE LARGE ENOUGH FOR THE PUPIL TO SEE THROUGH. THEY CAN ROTATE AND FOCUS SEPARATELY TO OBSERVE TWO DIFFERENT OBJECTS SIMULTANEOUSLY. IT EFFECTIVELY GIVES THEM A FULL 360-DEGREE ARC OF VISION AROUND THEIR BODY.

# Investments

## by leading providers

We are Malta's leading independent investment advisory company with access to some of the world's largest financial institutions.
